DATING & RELATIONSHIP ADVICE

## about me

Amy Waterman's dating and relationship advice has been featured in over a dozen books and online courses. She's been writing for women since 2005, focusing on the way in which the latest scientific research has totally transformed our understanding of love and relationships.

## about the site

It's your time to shine! Your Brilliance features love and lifestyle advice for the woman who wants it all. Our mission is to help women live their most brilliant life.

## YBTV: the series

### Be Our Guest

Each week we interview experts in the fields of women's health, wellness, relationships, career, and a whole lot more.

We'd love to promote you and your message. Interviews are recorded with Zoom and published on YouTube, our website, and social media channels.

### Need a Guest?

Amy is available to speak on your podcast on the topic of pleasure. Discover how following your pleasure leads you to the life of your dreams.
